AT THE MEET

TIMING ASSIGNMENTS:

Each club attending is requested to provide timers, based upon the number of entries from their team. BWST will send Sessions & Lane assignments prior to the meet. Swimmers must provide their own timers and counters for the 800 and 1500 freestyle events.

OFFICIALS:

Attending MVS stroke and turn judges should come prepared to volunteer their services. Teams attending the meet should contact the Meet Director with the names of MVS stroke and turn judges who are available through their team.

There will be an officials meeting one hour prior to the start of each session. All officials working the session must be present at this meeting.

Officials must display a 2013 USA Swimming membership card while acting in any official capacity on the deck of the pool.

PROGRAMS:

Psych Sheets will be available for sale.

DECK ACCESS:

Current (2013) USA Swimming membership is required for coaches and working officials to be on deck. Coaches must be current with all safety certifications and background check requirements. At the request of the Meet Referee or special designee, coaches and officials must present their USA Swimming credentials. Persons without a valid 2013 USAS Coach Membership will not be allowed access to the deck area and will not be allowed to participate in any coaching capacity.

SPECTATORS:

To assure coaches and officials adequate visibility of the swimming venue, all spectators, including athletes, are requested to remain four (4) feet or more from the edge of the pool. Swimmers are to use the crash area and not the bleachers during the meet. The bleachers are to be used for viewing the meet when your swimmers are swimming.

SERVICES & VENDORS:

Concessions will be available.
Fine Designs will be on site to provide apparel.

MEET FORMAT

The meet will consist of Timed Finals. The 800-meter freestyle and the 1500-meter freestyle will be swum alternating women then men, fastest seed to slowest seed. The 13-14 and Senior events at these distances will be seeded and swum together, but scored separately.

MEET SCHEDULE

FRIDAY JULY 19

13-14 and Senior

Session 1

Warm-ups: 9:00 – 9:35 AM

Session 2

Warm-ups: 9:35 – 10:10 AM

Meet starts: 10:15 AM

11-12 and 10 & Under

Warm up times will be determined after the entries have been received. Warm-up not before 12:30.

Meet starts: 75 minutes after the conclusion of the AM Session

Once entries are received, a warm-up schedule will be sent to each club entering the meet.

SATURDAY/SUNDAY JULY 20-21

13-14 and Senior

Session 1

Warm-ups: 8:00 – 8:35 AM

Session 2

Warm-ups: 8:35 – 9:10 AM

Meet starts: 9:15 AM

11-12 and 10 & Under

Warm up times will be determined after the entries have been received. Warm-up not before 11:30.

Meet starts: 75 minutes after the conclusion of the AM Session

Once entries are received, a warm-up schedule will be sent to each club entering the meet.

CHECK IN & SCRATCH:

Except for the 800- and 1500-meter freestyle events, swimmers are considered to be checked-in for their events when their entries are received. If a swimmer elects **not to swim** an event, either the swimmer or his/her coach or representative must scratch the event a minimum of **45** minutes prior to the start of the session in which the event is scheduled. If a swimmer fails to either **swim** or **scratch**, he/she shall be barred from his/her next event. In the event a swimmer enters more events per day than permitted (see entry limit) and does not scratch, the swimmer will be scratched from their final event of that day.

Positive check-in will be required for the 800-meter and 1500-meter freestyle. **This rule will be strictly enforced.** Failure to check-in will result in a scratch from the event.

Age of the swimmer on the first day of the meet determines the age group classification for the entire meet.

ENTRY PROCEDURES

QUALIFYING TIMES/ELIGIBILITY:

No time conversions are allowed; however, swimmers may qualify with short course yard qualifying times. Seeding order will be LCM, then SCY.

Swimmers who have achieved a SCY or SCM qualifying time, but not the LCM qualifying time, shall enter with the time they have actually achieved. The entry report must clearly note the submitted time as a SCY or SCM time.

BONUS SWIMS:

Each swimmer achieving a minimum of one Division II qualifying time shall be allowed to enter a maximum of two (2) additional bonus events in which he/she has not achieved the Division II qualifying time. No bonus swims will be allowed in events longer than 200 meters, and no bonus swims will be allowed in Senior events unless the swimmer is 15 years or older. Bonus swims must be clearly noted in the following manner:

When entering an event as a "bonus event," the swimmer's entry should clearly indicate that the entry is a "bonus event entry." The entry time for all "bonus events" shall be the swimmers actual best time for that event followed by a "B" to indicate the swim is a "bonus swim." The word "Bonus" must also clearly appear where proof of time information would otherwise be entered.

For the 1500-meter freestyle, entries will be accepted using either the 1500- or the 800-meter freestyle qualifying time. Seeding will be done using the 1500-meter time with those entries using the 800 time being seeded in the slowest heats. For the 800-meter freestyle, entries will be accepted using either the 800- or the 1500-meter freestyle qualifying time. Seeding will be done using the 800-meter time with those entered with the 1500-meter proof-of-time being seeded in the slowest heats. Such entries must be adequately explained on the entry sheet.

RELAY RULE:

To participate in a relay, a swimmer must be entered in an individual event in the meet. The swimmer must not have achieved a Division I qualifying time in the same stroke, distance and course for that age division. For 13-14 and Senior 200 Medley Relay, swimmers must not have achieved a Division I qualifying time in the same stroke at 100 meters. Swimmers of all ages may compete in Senior relays, but must not have achieved a Division I time in their age group for that stroke, distance and course.

All swimmers' names and order of swim must be recorded on the entry card or sheet prior to the first heat of the last individual event preceding the relay cycle in question, or 15 minutes prior to the start of the meet, if the relay cycle precedes the individual events.

AGE-UP RULE:

If a swimmer has LSC Championship times in their current age group, but the swimmer's 11th, 13th or 15th birthday falls on or after the District Championship meet, but before the corresponding LSC Championship meet, and the swimmer does not qualify for the LSC Championship meet in their next older age group, that swimmer may enter the District Championship meet in the next older age group in any event in which the swimmer has achieved the District Championship qualifying time in the next older age group.

The swimmer may, however, compete in only one age group in the District Championship meet.

Any such entries must be clearly marked and explained in the space provided for proof of time on the entry sheet or noted on the Hy-Tek printout.

ENTRY DEADLINE:

All entries must be received by the Entries Chair no later than **Monday July 15, 2013 at 5:00 PM**

ENTRY FEES:

Entry fees are \$4.50 per individual event. Relay fees are \$7.00 per relay. Time trial fees are \$9.00 per individual event. Fees must be paid with the entry and are non-refundable.

Make checks payable to: Emporia Aquatic Club

Address:

1411 Walnut St.
Emporia, Ks. 66801

ENTRY FORMS:

Submission Process

All entries must be submitted to the Entry Chair via email at nmetz1@emporia.edu using the host-provided HYTEK meet event file OR an sd3 or hyv HYTEK compatible event file.

Entries will **only** be accepted from Missouri Valley registered teams and unattached swimmers. Entries from units within a Missouri Valley team or entries from individuals within a team are not permitted.

ENTRY LIMIT:

A swimmer may enter all events for which he/she qualifies. Swimmers may swim a maximum of **five (5)** individual events per day. Swimmers may swim each relay event (200/400 Free; 200/400 Medley) only one time during the course of the entire meet.

SEEDING PROTOCOL:

The meet will be deck-seeded prior to the start of each session.

TIME TRIALS

Time trials will be available if time permits at the conclusion of each session each day. Time trials shall be restricted to those individuals who have a reasonable expectation of achieving an LSC Championship qualifying time or faster. A time trial swim counts as a swim toward the total number of swims permitted per day. Swimmers not entered in the meet are welcome to the time trials. However, in the discretion of the Meet Director and Meet Referee these swimmers will only be allowed to participate in time trial events following the afternoon sessions. Time trials will count towards the (5) day event total.

The order of events for the time trials shall be as follows:

Friday: Friday events; Saturday events; Sunday events

Saturday: Saturday events; Sunday events; Friday events

Sunday: Sunday events; Friday events; Saturday events

PROOF OF TIME PENTALTIES:

Date and location of qualifying swims MUST be clearly indicated on all entries, either in the space provided on the MVS Entry & Proof sheet or on the Hy-Tek Team Manager Best Times Report accompanying the team entry report and disk. For each entry received without a proof-of-time, it will be presumed that "No Proof" is available. Refer to proof-of-time *Penalties below. The meet host will be responsible for verification of times as provided by the MVS Records Chair in a database. Fines shall be payable to **Emporia Aquatic Club**.

Official meet results for all meets sanctioned by MVS during the 2013 long course season, 2012-2013 short course season, and the 2012 long course season, with the exception of meets held under league blanket sanctions and permitted observed high school swims, will be available at the proof-of-time table for use in proving times. Swimmers and clubs using qualifying swims from meets held outside of Missouri Valley or in meets held under league blanket sanctions or in any meet held prior to the 2013 long course season must bring the applicable meet results for use as proof-of-time.

PENALTIES:

In individual events, if the swimmer does not achieve the slowest qualifying time and cannot prove the entry time, penalties will be assessed as follows:

- 1) For the first missed qualifying time, the swimmer's club shall pay a \$25 fine to Emporia Swim Club. This fine must be paid prior to the beginning of the next day's events.
- 2) For the second missed qualifying time, the swimmer's club shall pay an additional fine of \$50 and he/she shall be barred from the remainder of the meet.
- 3) Swimmers barred from the remainder of the meet are ineligible to participate in all subsequent swims, both individual and relay.

The MVS Records Chair may, at his/her discretion, rescind fines upon receiving adequate proof of qualifying swim after the conclusion of the meet. This discretion does not extend to allowing a swimmer to continue to compete who has failed to prove qualifying swims for two (2) events that did not achieve the slowest qualifying time. MVS clubs are responsible for all proof-of-time fines incurred by swimmers representing their group and must pay such fines prior to entering future championship competitions sponsored by Missouri Valley.

AWARDS

INDIVIDUAL EVENTS:

Medals for 1st through 3rd for individual events
Ribbons for 4th-8th for individual 14-Under events

RELAY EVENTS:

1st through 3rd for relay events

FINALS RESULTS:

Final results will be posted on the Missouri Valley website and may include the swimmer's name, age, times and USA Swimming number.

RULES, REGULATION & OTHER PROCEDURES

RULE AUTHORITY:

Current USA Swimming and Missouri Valley Swimming Rules and Regulations will govern the conduct of these Championships and will serve as the official guide for technical and procedural rules.

MVS Safety Guidelines and Warm-up Procedures will be in effect. Copies of these Guidelines and Procedures will be posted at several locations around the pool. The Meet Announcer will be available during the warm-up sessions to assist with announcing procedures and conduct of the warm-up period.

MEMBERSHIP REQUIREMENT:

All athletes must be 2013-registered athlete members of Missouri Valley Swimming and USA Swimming and must be associated with one of the teams assigned to this championship meet site. All registrations will be verified by the MVS Registration Chair prior to the meet.

DIVING CERTIFICATION:

Any swimmer entered in the meet unaccompanied by a USA Swimming member coach, must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from the water. It is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

COACHES MEETINGS:

Coaches meetings may be held 15 minutes prior to the start of each preliminary session and/or other times as requested by the MVS Coaches Representatives, or the Senior Vice Chair, or the Age Group Vice Chair, or as deemed necessary by the Meet Referee.

STARTING PROCEDURE & CONDUCT OF MEET:

The starting procedure and 'no recall' provision of USA Swimming Rule 102.14 shall be used. Flyover starts may be used for all events during preliminary sessions.

The meet will be paced at the discretion of the Meet Referee. At the request of the swimmer's coach and at the discretion of the Referee, at least 15 minutes will occur between swims for the same individual.

SCRATCH RULES:

Each coach and/or unattached swimmer will be provided with Hy-Tek printouts of team entries by swimmer and scratch sheets for each session. It is the responsibility of each coach and/or swimmer to indicate which events are to be scratched by which swimmers and to return the sheets to the Clerk of the Course by the scratch deadline prior to each session.

WARM-UP PROCEDURE & SAFETY GUIDELINES:

The meet host will provide a complete schedule of warm-up procedures to include lane usage and times, which must be adhered to by all participants. This information will be distributed with the meet information at registration, posted throughout the venue, announced on a regular basis before and during the meet, and monitored jointly by the Meet Director and Meet Referee (or their special designees).

Marshals will remain on duty for the entire warm-up period. Marshals will be responsible for the control and supervision of the swimmers both in and out of the pool. Encourage your swimmers to cooperate with marshals.

Warm-up procedures may, at the discretion of the host team and consent of the Meet Referee, be modified based on number of swimmers in the meet and other safety and logistical concerns.

Safety Guidelines:

1. Participating teams shall be assigned to specific lanes for the warm-up period based on number of participants.
2. Swimmers without a coach at the meet must check in with the Referee and will be assigned to a coach during the warm-up portion of the meet.
3. The coaches of the teams assigned to each lane shall determine the warm-up procedure for that lane.
4. If coaches in a lane cannot agree on a warm-up procedure, the session referee should be consulted and shall define that lane's procedure. The decision of the session referee will be final.
5. Swimmers may not dive into the pool during general warm-up. Swimmers must enter the pool by stepping feet first, or sitting and sliding in, in a safe and cautious manner. Entering in any other manner may result in the disqualification from one or more of the swimmer's events for the session at the discretion of the Meet Referee. Swimmers may dive during a designated sprint warm-up.
6. Swimmers may perform racing starts as determined by the coaches monitoring warm-ups for that lane. Backstroke swimmers shall ensure that they are not starting at the time that a swimmer is on the blocks. Swimmers shall not step onto the starting blocks if a backstroke swimmer is waiting to start.
7. Coaches shall continually supervise their swimmers during all warm-up sessions.

8. Swimmers or coaches not following the prescribed warm-up procedures or directions of marshals or USA Swimming officials may be barred from the use of the warm-up area.
9. When using the side lanes for warming up or down during the meet, swimmers shall not perform racing starts and must circle swim.
10. Use of audio or visual recording devices, including a cell phone, is not permitted in changing areas, rest rooms, or locker rooms.

Warm-up areas are for the use of USA Swimming registered swimmers only and are not to be used as a cooling off area by spectators.

Except where venue facilities require otherwise, changing into or out of swimsuits other than in locker rooms or other designated areas is not appropriate and is strongly discouraged.
